These things you can let me know in advance. Maybe when I go to visit Liam in the USA that last minute stuff creates a lot of friction.	8:18 PM ✓✓

This marks a new beginning for Liam and me! I just wanted to thank you for the good times and also for the bad times, as they helped me grow and understand many things! We continue to share a common treasure, and I give you my word that I will take great care of it. I wish you the best and I hope you continue your therapies, as I told you one day I can never wish you anything bad because you are still my son's dad, and you are his example!

I want the best for you. You will always be someone very important in my life. I am so sorry that I hurt you and couldn't give you the best and what you needed. But I am here to support you and to let you know that you can always count on me. I will continue my therapies and learning from my mistakes. You will do very well. But in case for some reason, you don't. You can count on me, both of you, forever.

9:38 AM

Thank you very much!

Ok 9:06 PM

Juli. Going to Europe is practically out of the question. I am organizing more the coming of Liam to Colombia.
My idea is to pick him up between the 17th and 22nd of May and bring him back between the 8th and 13th of June. 10:49 PM

Later, everything is much more expensive. I guess because of vacations and the America's Cup. 10:49 PM

Please check this information. 10:49 PM

And there is something that I could offer you, if you are interested, is that if you come with him, if you have some reason to come for about three weeks, I will pay the tickets for both of you, but I will stay with him. 10:50 PM

Or the other would be to go for him and take him. Or at least you could bring him, and I could take him. 10:51 PM

I need to finalize this as soon as possible to buy the tickets, because the closer to the dates, the more expensive it will be. 10:51 PM
